Ms. Jacque's Music Notes Sing, Play, Learn!

Welcome back to school and another energized year of music. I am Ms. Jacque and I see your child at least twice a week for 20-30 minutes each day. We have a lot of fun, but that fun is productive too. Each song and activity is geared toward improving your child's educational growth, social skills, physical strength, and spiritual awareness as well.

Spanish Parent Letter

¡Hola Señora Alma and Señora Coleen!

¡Hola Padres! Hello Parents!

We are having a great first month of Spanish! Your child receives Spanish once a week for 20 minutes. The Kindergarten class receives 30 min. of Spanish per week. The Wednesday teacher is Ms. Alma Carvajal and the Thursday teacher is Ms. Coleen O'Brien. The children are really enjoying the songs, games, and books we are doing in class. The first two weeks were spent learning/reviewing Spanish greetings, and now the children will be learning their numbers as well.
