Sing, Play, Learn!

Happy St Patrick's Day!!

At this time of the year we are ready for the flowers and trees to bloom and we also like to celebrate the LUCK OF THE IRISH at St Patrick's Day. Some of our favorite activities are looking for matching shamrocks, playing with rainbow streamers, and planting our flower garden. The Songs we highlight with these activities are Kimbo's "St Patricks Day is Here", Barney's "The Rainbow Song", and Raffi's "In the Garden."

Spanish Parent Letter

¡Hola Señora Alma and Señora Coleen!

We have had a fun month of great Spanish learning! Our topic this month was clothing (la ropa). We played matching games with clothing and pictures. They especially loved showing off their zapatos (shoes) and saying the word "pantalones" (pants). The children also enjoyed our new song about a sick donkey (burrito enfermo) that went to the doctor and needed different clothing to keep him warm. They really loved doing their donkey kicks too (uno, dos, tres, cuatro)! We just started a new unit on parts of the body. Gracias for sharing your children, they are a joy!
