Ms Jacque's Music Note

Sing, Play, Learn!

Happy Easter!! To celebrate this special season in music we love to practice hunting for eggs and doing the bunny hokey pokey. We enjoy choosing one egg at a time so all our friends can find their own eggs. We often have children sharing their eggs to make their classmates happy too! Our bunny hokey pokey is so much fun. We first put our ears in, then our noses, then our tails, and finally the whole bunny. In between we hop around for the hokey pokey!

Spanish Parent Letter

¡Hola Señora Alma and Señora Coleen!

Our topic this month was parts of the body (partes del cuerpo). We read several books and they loved dancing to "Juanito"-a song about a boy named Johnny that dances with different parts of the body.

Thank you to so many of you for stopping by our Spanish room at Open House. We really enjoyed seeing the children with their families excited about Spanish! Also the 3's did a great job at their Open House Program. ¡Muy bien!
